

# Great American Ins Reps

- Can insurance companies afford to pay massive losses? **YES!!**  
Multi-line, Reinsurance, Government
- Steps you can take to have a hassle free loss adjustment  
Enterprise Units vs. Optional Units, settlement sheets, yield monitors, bin measurements.
- Aflatoxin must be detected before it goes in bin for insurance to cover it as a loss. **Call us if you suspect you may have it.**
- Will an adjuster come out and adjust part of my field at “zero” bushels? **Only if it is all “zero”.**
